

CS3 / WS3 / ESEOL

Ceiling Mounted Speaker / Wall Mounted Speaker / End of Line Module

CS3

ESEOL

WS3

CS3

The CS3 is a 3 Watt 120V Ceiling mounted speaker for use on the Premier Emergency Broadcast System. Loudspeaker equipment assembled with constant-voltage audio power amplifier. Input by constant voltage 120V. Ceiling installation.

WS3

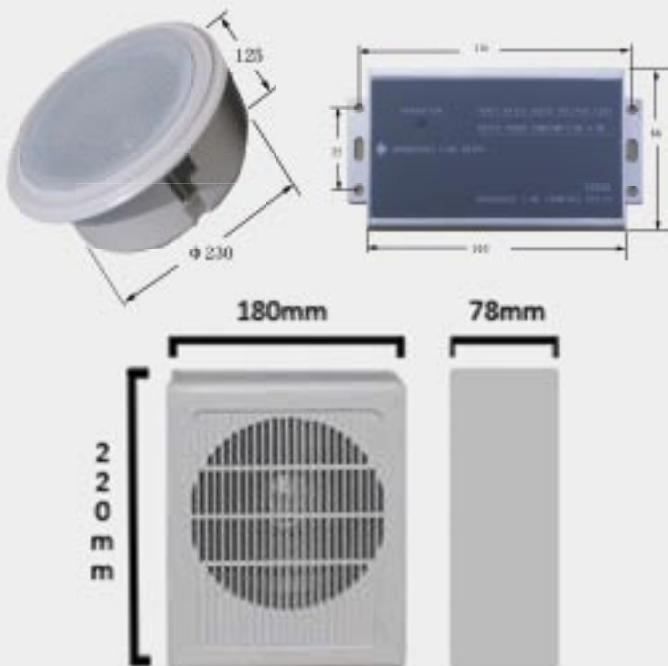

The WS3 is a 3 Watt 120V wall mount speaker for use on the Premier Emergency Broadcast System. Loudspeaker

equipment assembled with constant-voltage audio power amplifier.

Input by constant voltage 120V. 5-inch loudspeaker box, wall or ceiling installation.

ESEOL

The ESEOL Emergency System End of line unit is used with the PEBS2000 control panel. It is used to monitor the speaker lines for a break in the cable (open circuit).

MODEL	CS3	WS3	ESEOL
PART NO	180-002	180-005	180-004
RATED OUTPUT	3W		N/A
INPUT AUDIO VOLTAGE	120V		20-30V
FREQUENCY RESPONSE	120Hz - 11 kHz		N/A
SENSITIVITY	90dB	92dB	N/A
DIMENSIONS	178mm DIA X 135mm	220mm x 180mm x 78mm	103mm x 66mm x 27mm
WEIGHT	1.3kg	1.1kg	0.1 Kg
MONITORING CURRENT	N/A	N/A	2-10mA DC
